PREVENTING & TREATING COLDS & FLU WITH HOMEOPATHY

Saturday—October 27, 2007 (9:30 AM – 5:30 PM)

Learn to use homeopathy accurately to treat colds and influenzas with this highly effective system of energy healing.

This seminar will cover:

- ▶ The basic principles of using homeopathy in acute conditions.
- ▶ The 30 most prominent homeopathic cold and influenza remedies.
- ▶ Treatment protocols for a wide range of influenzas.
- ▶ Homeopathic prophylaxis—the most effective remedies for preventing the flu.
- ▶ Treating the symptoms that linger after a bad flu.

I took the Influenza Seminar last year & find homeopathic remedies an effective adjunct to Five Element acupuncture. The impact on my patients has been near miraculous.

—Razia Ali Hamm, MAc, AP
